

WHAT IS PASSIVE INCOME ???

It is an **INCOME** initially you had put in effort to receive; you will continue to receive on regular basis when time for you to retire and don't required time to maintain it.

When you have a full or part time job you get paid, that's active income.

Once you stop, you **stop earning!**

WHICH IS THE FASTEST & GROWING COMMERCIAL IN THE WORLD ???

Social Media – Microsoft; Facebook; WhatsApp; WeChat; YouTube

Network Marketing – Amazon; Alibaba; Ebay

Many companies even with distribution & retail networks, they are also joining the online marketing.

With the advancement of internet & social media system, consumer is changing their purchase habit.

The trance is to purchase online comfortably at home with a press of the button. You have a very wide choice of selection, just in front of you without leaving the doorstep.

The speed of the online marketing evolution is so tremendous, the earlier you join to set up your network; you will be able to work less and retire earlier.

Furthermore, this can be your part-time activities just to introduce & benefit others the absolute good products.
